Specifications are subject to change without notice.

English

1 Important

WARNING: Do not use the appliance near water.

When the appliance is used in a bathroom, unplug it after use since the proximity of water presents a risk, even when the appliance is switched off.

WARNING: Do not use the appliance near bathtubs, showers, basins or other vessels containing water.

Always unplug the appliance after use.

If the mains cord is damaged, you must not replace it yourself.

The appliance centre authorized by Philips or its service center.

This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities...

When the appliance is connected to the power, never leave it unattended.

Never use any accessories or parts from other manufacturers...

Do not use the appliance for any other purpose than described in this manual.

When the appliance is connected to the power, never leave it unattended.

Always place the appliance with the stand on a heat-resistant, stable flat surface.

Keep the appliance away from flammable objects and material when it is switched on.

Never cover the appliance with anything (e.g. a towel or clothing) when it is hot.

Only use the appliance on dry hair. Do not operate the appliance with wet hands.

Keep the heating plates clean and free of dust and styling products such as mousse, spray and gel.

Always consult the distributor.

If the appliance is used on colored or treated hair, the heating plates may be stained.

Always consult the distributor.

Do not insert metal objects into openings to avoid electric shock.

Do not pull on the power cord after using.

Always unplug the appliance by holding the plug.

Keep the heating plates clean and free of dust and styling products.

Always consult the distributor.

If the appliance is used on colored or treated hair, the heating plates may be stained.

Always consult the distributor.

Do not insert metal objects into openings to avoid electric shock.

Do not pull on the power cord after using.

Always unplug the appliance by holding the plug.

Keep the heating plates clean and free of dust and styling products.

Always consult the distributor.

If the appliance is used on colored or treated hair, the heating plates may be stained.

Always consult the distributor.

Do not insert metal objects into openings to avoid electric shock.

Do not pull on the power cord after using.

Always unplug the appliance by holding the plug.
